

According to Manchester City Ordinance **Section 245.020** all dumpsters, construction trailers, storage trailers, PODS or similar devices must have barrels/barricades with flashing lights and reflective tape if they are placed upon any public street, highway, roadway, sidewalk or other public right-of-way or easement

These types of traffic control items can be rented from the following places near Manchester. However, you are free to use whomever you wish to obtain the needed devices for traffic control purposes.
